BIO

GERARD K. MARINO left a stable and lucrative career as a strip-club DJ for the bright lights and effluvial streets of Hollywood in 1999. Six years later the Los Angeles Philharmonic was performing his music at the Hollywood Bowl.

He is most noted as the principal composer of Sony Playstation's GOD OF WAR I and II, the first of which won the Interactive Academy Award for Best Score, as well as the Game Audio Network Guild's "Music Of The Year" Award. Marino's orchestral suite of his GOD OF WAR themes has been performed by world class orchestras on 6 continents including the LA Philharmonic at the Hollywood Bowl and the National Symphony at the Kennedy Center. He has also contributed music to such game titles as FANTASTIC 4, THE PUNISHER, and 187: RIDE OR DIE. He has scored 6 feature films, including EL PADRINO with Faye Dunaway, Jennifer Tilly, and Stacy Keach. He has scored several commercials, including the NBC 2006 Winter Olympics, DTS, State Farm Auto, and Dannon Yogurt. His music can be heard in countless theatrical motion picture trailers including Superman Returns, The Grudge I and II, Everyone's Hero, Ice Age II, and Terminator 3. He also has contributed music to television programs, including the CW's SUPERNATURAL and Lionsgate/TNT's THREE WISE GUYS.
